

03 April 2024

Dear collaborator,

We are pleased to inform you that **European University Cyprus** offers a number of scholarships in various programs of studies for high school graduates, starting their studies during the **Academic Year 2024-2025**.

1. HIGH SCHOOL SCHOLARSHIPS

- **75% Scholarship** for the first academic year of study to candidates with an average grade of 19 and above or equivalent on their High School Leaving Certificate.
- **50% Scholarship** for the first academic year of study to candidates with an average grade of 18 to 19 or equivalent on their High School Leaving Certificate.
- **25% Scholarship** for the first academic year of study to candidates with an average grade of 17 to 18 or equivalent on their High School Leaving Certificate.

2. FINANCIAL AID

The Financial Aid is awarded to students and it is based mainly on financial criteria, regardless of academic performance for all years of study. The amount of the financial aid provided depends upon the student's personal financial conditions.

3. ATHLETIC SCHOLARSHIPS

Athletic scholarships are offered to European University Cyprus sport teams' athletes with excellent performance. The Office of Athletics sets guidelines for the award of these scholarships.

4. ALUMNI & FAMILY GRANT

- **10% Scholarship** for all years to **relatives** (children, spouse, brother/s or sister/s) of our graduates or for two or more **family members** studying in our institutions concurrently.

Conditions of Scholarships:

1. The scholarships are valid for all conventional undergraduate programs of study offered at European University Cyprus with the exception of the programs in Medicine, Dental Surgery, Veterinary Medicine and Occupational Therapy.
2. Only the scholarship with the highest percentage will be taken into consideration when applying for two or more scholarships. The Office of Admissions is available to provide further information.

Please provide us with contact details (name, surname, e-mail address, phone number, high school average, program of study) of interested students by **28th June 2024**.

We take this opportunity to thank you for your cooperation and support in providing the opportunity to students to study at our University.

Yours sincerely

Stephanos Theodossiou, BBA, MBA
Head of Admissions
